KEN POIROT

SLINGSBY TEAPOT COCKTAILS

*Singsby's story begins 1571 in the North Yorkshire town of Harrogate and it's
 Tewitt Well with its unique and natural properties. William Slingsby was thought
 to have discovered the well and it's medicinal properties. People went to the well
 to 'take the waters' and heal themselves. To this day, Harrogate is known as a spa
 town where people can go to restore mind, body and soul. If it weren't for Slings-
 by's discovery, Harrogate would not be what it is today.*

*Marcus Black and Mike Cathy were inspired by this story and created Slingsby's
 Gin. They wanted to create a product that would celebrate Harrogate's restor-
 ative nature and Slingsby's products are the results.*

All tea pots are made with Slingsby Gin and infused with various Newby Teas
